## COME TO THE 82nd ANNUAL MEETING!

The annual meeting will go on as scheduled, but due to concerns surrounding the COVID19 Coronavirus and social distancing we felt the need to make some hard choices. There will be no dinner served this year or door prize give-aways. We certainly want to have you attend to ask questions and hear about the credit union happenings. We thank you in advance for your attendance and vow to make our meeting next year extra special!

## IT'S TIME FOR AN ACCOUNT CHECK UP!

We know how easy it is to set up your account and forget about it. We make it easy with direct deposit, e-statements, bill pay, etc. But as hard as it is to think about planning for unexpected events, they happen. And nothing is worse than when members pass away and there are no joint owners or beneficiaries on their account. So we are reminding you to take a minute to update this important information.

Do yourself and your family members a favor. Make sure that we have current addresses, phone numbers and beneficiary information. Don't hesitate to call us if you have any questions at 838-8960.

*We hope you exercise your voting rights in the upcoming 2020 Election, but also in our Board of Directors Election! The ballot can be found on the back*

## **SPECIAL SKIP-A-LOAN OFFERED**

The credit union is offering you the ability to skip at least up to 2 months of loan payments to combat the economic hardships of the COVID19 pandemic. This includes HELOC loans. VISA payments will be automatically skipped for all of our members during the month of April as well. This is what the credit union spirit is all about—helping our members in their time of need.

If you would like to skip your loan payments, just let us know and we will take care of the details. We are waiving the \$10 fee, but know that the loans will continue to accrue interest during the months skipped. Please do not hesitate to contact us if you are experiencing financial hardship due to the COVID19 pandemic. This is an extraordinary event and we want to ease the burden for our valued members.

## Weathering the pandemic aftermath...

Unprecedented events brought on by the COVID 19 pandemic have caused financial distress for our friends and neighbors. If you have been affected by a job loss, or diminished income, we are here to help.

From now until the end of July 2020, we are offering a low interest loan of up to \$2500 to ease the burden.

In addition, there will also be **NO PENALTY** for early withdrawals on CDs during this time.
