## We are celebrating International Credit Union Day

We love to recognize International Credit Union Day as it is a celebration of all of you—our members who are a part of the worldwide credit union family. Normally, we observe it with Chili Dog Day in October but due to on-going COVID-19 restrictions, we sadly must cancel this year's event. However, we had a great idea. Did you know that part of the credit union spirit is the pledge to give back to the communities they serve? We want to fulfill that commitment and have opted to take the money that we would have spent on chili dogs and have lunch delivered to a deserving local charity. Since we have a few weeks to make a selection, we would love your input. If you know of a worthy local organization who we could take lunch to, please let us know. We look forward to the day that we can again host Chili Dog Day, but until then we think this is a great alternative. We appreciate your suggestions and **thanks for being a great member of SMFCU!**

## THANK YOU!

For following mask mandates and keeping us and all of our members safe.
